\* Instruction is the first 35 minutes of each class with breaks for restroom, snack, and transition time (15 minutes) built in towards the end of the period

\* Each student at LaSalle Prep has been assigned a laptop from their HomeBase teacher. Students have completed a survey to designate their needs. If a student has a computer at home, or prefers using a cell phone or other electronic devices to access teacher classes and materials they are not required to take a laptop home. Also, if a student has noted that they currently do not have internet access at home, LaSalle is working on alternatives for those students. Students will not be provided with chargers for the laptops. The settings on each device has been adjusted to extend battery life in addition to a condensed class schedule for the day.

\*It is expected that students will attend all of their classes from period to period. Classroom teachers will be **completing period by period attendance**.
